

NAEMT MEMBERSHIP

For Individuals

We appreciate your service to our communities and country!

The sacrifices you make are what drives us to make the EMS profession better. We offer information and education to help EMS practitioners provide the best patient care. Our member benefits and leadership opportunities help EMS practitioners achieve their professional goals.

NAEMT Benefits Give You a Professional Advantage.

- Networking – Learn from the innovation leaders in the EMS field.
- Education – Enhance your skills to prepare for what's ahead.
- Competitive Edge – Get access to the latest information, news and technology.
- Leadership – Volunteer on one of several committees addressing all aspects of EMS.
- Benefits – More than 30 significant benefits, including discounts from Recert online education service and 5.11 Tactical, Inc.™ merchandise, \$10,000 AD&D insurance coverage, \$125 discount on registration for EMS World Expo, education scholarships, and much more. View the full list of benefits on the NAEMT website, under the “Join” tab.

For Groups

Support your team and strengthen your EMS Agency.

NAEMT Group Membership gives your EMS agency a very affordable and generous package of employee benefits. From discounts on top-quality education, to valuable savings on gear, subscriptions, services and more!

NAEMT Benefits Prepare Your Team to Excel and Maximize Your Agency's Purchasing Power.

NAEMT Group Membership connects your agency to resources that prepare employees for the changes in our nation's healthcare system. Access to EMS career development, mobile integrated healthcare and community paramedicine, and EMS advocacy tools will give your team a deeper understanding of their evolving role in EMS.

In addition, group members can maximize their purchasing power through product discounts and team-based management resources. View the NAEMT website for a full listing of benefits.
